

# LESS IS MORE ANY TIME OF THE YEAR

**Using less water means more water in Lake Mendocino, Lake Sonoma and the Russian River. We rely on these sources for drinking water, wildlife habitat and recreational activities.**

**Use less water today by following these tips:**

- Use a bucket and a hose with an automatic shut-off nozzle when you wash the car, or take your car to a carwash that recycles its water.
- Cover pools and hot-tubs to reduce evaporation.
- Use front-load washing machines.
